

## Continuous and Never-ending Improvement – Setting Achievable Goals

We are at the halfway point of our ten tips to continuous and never-ending improvement and this week we are looking at goal setting. There are many articles on this topic available to read online and indeed I covered this topic in an article in early 2019 in 'How to set achievable inspiring goals and have an outstanding 2019' How things in the world have changed for all of us since then!

One of the reasons people don't get what they want in life is often because they don't know what they want. Setting goals gives focus and helps give clarity towards what you want to achieve but it is important that you set achievable goals and SMART is a good method to determine how achievable your goals are.
